CRRSAA provides for education stabilization through emergency funding to institutions of higher education through a second round of Higher Education Emergency Relief Funds (HEERF II). Student Emergency Aid Application – 2nd round Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA 2021)

The U.S. Department of Education has provided guidance to universities for the distribution of a second round of emergency grants to college students. These funds must provide students with financial aid grants, which may be used for any component of the student's cost of attendance, or for emergency costs that arise due to coronavirus. These costs include tuition, food, housing, course materials, technology, health care or childcare.

Students who are experiencing an unanticipated and/or temporary hardship resulting from an emergency and/or crisis related to COVID-19 may apply for an emergency financial assistance grant. The amount of each emergency financial assistance grant awarded will be based on 2020/2021 FAFSA Application. 0 EFC students get amount, EFCs of 1-2500 get Y amount, EFCs of 2501-5000 get Z amount and students over 5000 get the lowest amount.

Applications will be available June 23, 2021 and will be reviewed in the order they are submitted. Completed application must be returned to the Financial Aid Administrator Office to Mrs. Jennifer Dent.

2 The Department's guidance for emergency financial aid grants under section 18004(a)(1) of the CARES Act did not advise institutions to use such grants to satisfy a student's outstanding account balance. However, upon further consideration, the Department believes that allowing students to consent to the application of a CRRSAA financial aid grant to their student accounts would facilitate such a use of funds, if desired by the student, while retaining the student's discretion to determine what costs should be covered with his or her financial aid grant funds

Disbursing of Funds

Grants will be disbursed in the form of a check. Students will be notified , via Google Classroom, when the check is ready to be picked up at the Financial Aid Office within 15 days.
